

## GAS ROW STARBEAMS

E. G. Perry, president of the Lone Star Motor company, of El Paso, was in the city Monday night in the interests of the company.

Godden & Young, agents for the Overland, the first of the week, received seven two-ton Republic trucks and two ten-ton Garford truck. On Wednesday they received a carload of Overlands. Camp Cody is to be benefited by these shipments.

O. C. Grossman, of El Paso, representing the Ford Manufacturing Co., was here this week on business, in the interest of government cantonments.

Terry Ward, until recently associated with the Lester garage, has accepted a position with Sam Watkins in the sales department. Mr. Ward is well known to Deming people and his many friends wish him the best of success in his new position.

Sam Watkins has been about the busiest man in Deming this summer and reports a few sales to his credit for the past week: Joe Cazzola Dodge touring, Deming; County commissioner, Dodge touring; Construction Quartermaster, two Dodge touring; W. Janney, Hurley, Dodge touring; National Hog Co., one South Form-a-Truck; Construction Quartermaster, 4-ton Packard; N. S. Barber, Santa Rita, Hudson super-six.

Lee Casperberry, representing the Krakauer, Zork & Moye company, of El Paso, was calling on his trade at the Park garage, Saturday.

J. B. Hancock, of the Tri-State Motor Co., of El Paso, was in Deming Thursday, calling on his trade at the Park garage.

A. B. Glazier, manager of the Electric and Auto Accessory department, was in El Paso, Saturday, calling on his patrons.

Hereafter the Park garage will be associated with J. S. Kerr, as agent, for the Ford car. They have trebled last year's contract for Fords, and will be able to meet the ever-growing demands for the Ford, aside from a full stock in their garage at all times.

The Ford Agency received and delivered a carload of "Tin Lizzies" on Tuesday of this week. These cars were all sold before they arrived. The middle of the week they delivered four Oaklands to J. W. Thompson, contractor, through his superintendent, Owen Hughes, for Camp Cody.

## AMUSEMENT NOTES

Today, Friday, the Princess re-comes the famous Brady-Made world pictures each Friday.

Today's program is that sweet story with Kitty Gordon, "Forget Me Not."

Two weeks from today will be the famous Sarah Bernhardt picture, "The Mothers of France." A remarkable showing has been had for this great picture by the world's greatest actress, and it is with particular pleasure that it is to be shown at the Princess, Friday, August 17. Note the time and place, please.

Tomorrow, Saturday, is to be shown that most remarkable program, "Pack of the Man," with Dorothy Dalton and Charles Ray. Any picture with these two people in the leading role is bound to please the entire audience. The Princess expects to bring Miss Dalton to Deming shortly in that wonderful show "The Flame of the Yukon." Mr. Hall has personally seen this great show, and guarantees it to be the best picture ever shown in Deming. The best part is, that it is to be shown here two days so that it can be seen by as many people as possible, and also seen two times by a good many people who will surely want to see it twice.

Yenny is going to play some wonderful music for this show on the big organ.

The Fox program for this week is that very interesting show entitled, "The Blue Streak." We didn't say "yellow streak," but "blue streak." William Nigh is the star and is always a treat to see him. A great show.

House Peters and Myrtle Steadman will be in Monday's Paramount in "There Aint No Bad Paramounts." "Happiness of Three Women." When you can get three women happy all at the same time and same show, you have got to go some. Aint it the truth?

Tuesday is where they "Get What's Coming to Them," in Patris. Then the next Tuesday will be the final chapter, where we all live happy ever after, and help to spend that \$100,000,000 that almost got stolen and spent before they got caught up with.

### DISTINGUISHED SOLDIER AS COMMANDER AT CAMP DEMING

Deming rejoices in having that distinguished soldier of the U. S. A., Colonel Frank J. Winn, as at least temporary commander of Camp Cody and it would not at all be displeasing to us to have his rank advanced and keep the position indefinitely.

Col. Winn was a West Pointer, in the early 80's and has seen valiant service in the Sioux Indian war, the Spanish-American war and Cuban occupation, the Philippine insurrection, and lastly, with Gen. Pershing in Mexico. Incidentally he and the general were classmates at West Point. He served for a time as military secretary to Lieut. General Arthur MacArthur, the last to have this honor. He was in the adjutant-general's department in the Philippines and at San Francisco, and for a time was professor of military tactics at the University of California. In this period of military advancement we hope the colonel's name will prove prophetic.

### A Voice From Los Angeles

The Butt Bros. Drug Co., of Albuquerque, have rented the building known as the Jan Kee building on Silver avenue, and are making arrangements to put in a first-class drug store that will be able to accommodate the rapidly growing city, known as 99.99 pure.

Butt Bros. expect to have their store open to the general public the first of next week in their new home and all Deming is invited to call and make themselves acquainted with these new progressive citizens.

The Butt Drug company, of Albuquerque, have one of the finest, up-to-date drug stores in the southwest, and enjoy a large foreign or out of town patronage.

These gentlemen are wide-awake thorough business men and Deming more than welcomes them to her business and social circles.

Thrill welcome to our city.
